FOREWORD

It is through pledges made by the faculty and the students that the 1931 Stespean has been made possible. We have tried to crowd into its limited space such scenes, photographs, and "snaps" as will bring to you reminiscences of dear old Union. We hope that these pages may recall to you pleasant memories of college days and recollections of friends, and of happy experiences together. May we make you live again those fond moments!

If this annual in any way meets with your kind approval, our labor will not have been in vain, and we shall feel amply repaid for our efforts.

THE STESPING HOUSE VILLE

Union College Senior Quartette

During the year an occasional treat from the storehouse of memory has been given to the student body by the Union College Senior Quartette. At Thanksgiving time and Christmas the group was together again for short seasons, and shortly before commencement it furnished a radio program from Station WHAS, Louisville.

The Senior Quartette was organized by Miss Lola Burton, then head of the Music Department, during the year 1928-1929, and for two years it functioned as the Union College Quartette. During that time the boys toured a great part of Kentucky in the interest of the college. The climax of their work together came with their first broadcast from Station WHAS during the spring of their Junior year.

The quartette was broken up in the fall of 1930 by the absence of Maurice Vincent, who is this year a student at the University of Louisville, Dental College, but who will receive his baccalaureate degree from Union this year.

Miss Leila Marsee has been an able accompanist for the quartette during this year.

Coach and Manager

Coach J. R. Bacon

"A team that won't be beaten can't be beaten."

This is Coach's favorite motto, along with several others such as: "Drive low," "Keep digging," "Heads up," "Hit 'em hard," "Be alert."

These teachings spelled success for our team, with Coach's unceasing efforts. Coach Bacon deserves the credit for all the success of all the teams. He is the main cog for the machine. Union means all to Coach, and he means all to Union. With this spirit, how can Union fail? It is an impossibility. In a year or two, Union will be the Kentucky S. I. A. A. champs.

Manager "Marny" Faulkner

Always smiling and giving the boys courage, "Marny" helped to win. He put the team in the "ole spirit." Every player will remember "Marny" and his philosophy.

JEANNA NELSON and JOYCE REID

Cheer Leaders

At every game, Joyce and Jeanna kept the crowd cheering and yelling the familiar yells.

Football Season, 1930

Training camp opened two weeks before school. Fifty hearty men practiced daily. Eleven men were chosen to battle Campbellsville College, whose team they defeated, 63-o.

Practice continued daily and games weekly, Union taking them all into camp until the Bulldogs met the Georgetown Tigers.

Forgetting defeat, Union went on, winning every game except the one against Tennessee Wesleyan. Eastern State Teachers was the last game. Union defeated them.

This season Union loses eight regulars. They will be hard to replace, but let's hope that Coach Bacon will have good material next year, and then we shall be rewarded by victory.

BILL MALONEY

End, Captain

Only All-State mention for End. He has always played a good game, and has often displayed his knowledge of football mixed with his fighting Irish blood. Opponents never made much, if any, ground over Bill.

CHARLES JACKSON

Tackle

Charles Jackson is a name that many ends and backs of our opponents will remember. "Boy, he sure can use dose mitts!" Jackson has three more years at Union,

CHARLES DAVIS

Guard

Charles Davis is one of two four-year letter men at Union. He has played consistent ball at center, guard, and tackle. He is a va'uable man and we are sorry to lose him.

BUFORD CLARK

Center

Least man in the line, but never last. He was always on the hall and pepping up the team. Clark is line-captain for '31. May he handle the best team that Union has ever produced.

JAMES GREENE

Guard

Jim came to us from down in Tennessee, where they grow "big" and "Greene." He will develop into a real guard and tackle for '31. Stay with it, Jim. We are for you.

WILMER RILEY

Tackle

That big good-looking Irishman from Delaware. "Butch" was feared by opponents and generally played the plays elsewhere. He has three years left to show his stuff.

EDWARD SIMPSON

End

The boy with an educated toe. His punting is the talk of all the coaches of the State. We are thankful for Ed and his good looks. He has three years to make the All-American from Union.

HEINZ KITZEL

Fullback

"Red" hails from Ohio. He was one of the best blocking backs that Union has ever had. He would fight at the beginning, and at the end his fighting spirit would still be in the air.

ESTER DAVIS

Halfback

"The shiftiest little back on earth" was what all the coaches said after the game. "Es" was always cool and willing. This is his last year. For four years he has worn the Orange and Black.

CLYDE GREENE

Halfback

"Buzz" snapped into it this year and showed Coach Bacon how a halfback should really play. More power to you, "Buzz." It will take a good man to fill ole "Buzz's" uniform.

LLOYD PATTERSON

Ouarterback

"Runt" is our quarterback and a dandy good one. He ran the team smoothly and each play checked the other. He always had the opponents guessing. He was high score man of Kentucky, and perhaps the South. We wait to see what he'll do next year.

GLENN CHANDLER

End

Another old Corbin flash with plenty of power.
"Doc" made more tackles than any two men
in practice. With more experience he will make
a good man.

FRED CATRON

Tackle

"Jarhead" has played many games at tackle. He has big hands and feet, but you ought to see him fly. Next year is his last at Union.

EARL KILBOURNE

Guard

Earl, or "Von," as he is better known, came back to us after staying out one year. He came late, but showed up well.

CLARENCE MESSER

Center

Messer, with his hig hands and feet, could trample any man. He is a hard, clean-fighting man. Success will surely come to him if he keeps it up.

ARTHUR DECKER

Guard

Little but loud. Decker has the ole "spunk" and in another year he should be among the "numbered."

BONNIE SMITH

Tackle

In spite of everything, Bonnie was a good fighter. He fought from start to finish. Go to it, Bonnie!

ALBERT FRANZ

End

Russell is his home town. It seems that football players are born there, not made. Franz will make a dandy end in a year or two.

ALFRED PERRY

Halfback

"Happy" is a West Virginia snake, and you should see him snake through the line. He's too slippery for the opponents. "Happy" has three more years to make good for Union.

CARL LAWSON

Halfback

'Knothead" was a very consistent ground gainer. He was always driving with his body low, and this carried him for many extra yards.

ED LANDRETH

Halfback

As a shock man, Ed was the hest, barring none. He was fast and shifty. With a little more confidence, he will be Union's quarterback in the future.

WILLIS PICKERILL

Guard

Pickerill will make a good man if he keeps that ole spirit that he manifested this season,

JOHN D. WALKER

Tackle

Big, rough and ready, and always smi'ing. Let's see what you can do next year, "Red."

EMANUEL SAYLOR

End

With his stocky brace, he would cut down interference and get that ball-carrier in spite of everything else. "Molus" has three years yet to stand for Union.

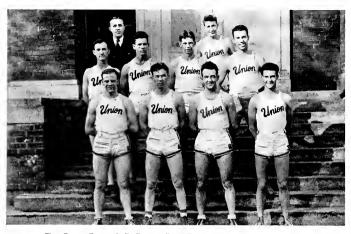

Harry Taylor

Halfback

(No Picture)

The flashy back from Corbin. Harry has been out much of the time because of injuries, but showed his stuff when he was in action.

Top Row: Coach J. R. Bacon, Earl Frierdich Second Row: Edson Catt, Ed Simpson, "Red" Kitzel, Herb Tye Bottom Row: "Buzz" Greene, Buford Clark, Bill Maloney, Es Davis

Basketball Season, 1931

Union opened the season with the Centre Colonels. It was a tough game, and Union was on the short count, but she profited by defeat. University of Tennessee came next, winning by a small score. Then Union invaded Emory and Henry University and defeated them. Some teams defeated by the Bulldogs were: Transylvania, L. M. U., Tennessee Teachers, Tennessee Weslyan, and Cumberland.

Each season, due to the efforts of Coach Bacon, bigger and better teams are booked. Keep the good work going, Union.

ESTER DAVIS

Captain, Guard and Forward

Es, playing consistent ball, was always ready. His accurate shooting was the downfall of many good opponents. We wish him much success in his life work. Good luck, Es.

HERBERT TYE

Center

Herb could shoot 'em at all angles. His tip-off work was "the best I ever saw." Herb has three more years at Union, but if he does any better next year, another team will try to sign him up.

WILLIAM MALONEY

Forward

That old Irish blood just has to get going. Bill would fight until the last whistle blew in every game. He was game and consistent. We lost him, but we wish him success.

ED SIMPSON

Guard and Forward

Ed, with his nonchalant expression, would shoot 'em in like "nobody's business." Ed will be here three more years. We'll hear from him again.

CLYDE GREENE

Guard

The guard who is little but heavy. "Buzz" showed his talent in many games. He was a good ball player and we are sorry to lose him.

HEINZ KITZEL

Guard

"Red" played guard, and what a guard he was! He was invincible. We lose him by graduation and are looking for some one to take his place.

BUFORD CLARK

Forward

Always tantalizing his opponents with his tricks and skill. Consistent in his floor work, but lacked confidence in shooting. We shall see him in action again next year.

EARL FRIERDICH

Forward

Earl was very accurate in his shooting. He has two more years at Union, so we are sure to hear from him again.

EDSON CATT

Guard

The Hoosier who will make a good man next year. Good at dribbling and shooting.

HARRY TAYLOR

Guard

The "flash." Harry could always slip in and get crip shots right under the guard's nose. He is captain-elect and we know he will keep the good work going.

Left to Right: George Baker, Alfred Hind, Ed Simpson, Carl Lawson, Buford Clark

Tennis, 1931

Although two first-string men were lost from last year, Union has had a strong "five" this season. To start the season, Union defeated Cumberland on the home courts. Middlesboro Independents brought defeat to Union. Then came the trip to the Bluegrass. Eastern was victor, but Georgetown joined the ranks of the defeated. Then Union beat Eastern on our courts. Later came other matches—some with defeat and some with victory. Next year, two more tennis players leave our ranks. Baker has been coach and manager this season and deserves much praise. Lawson has been a good player and will be missed next year. Gregory and Tye played well and both will be remembered by their foes. Hind and Simpson, both at Union for the first year, were strong players. They have three years yet in which they will bring glory to Union.

Thus ends a successful season.

WORDS AND ARRANGEMENT BY
ABIGAIL E. WEEKS

Girt with many a grand old mountain, Stands our College dear, While the Cumberland sings ever Praise for her to hear. Union College, Alma Mater, We would praise thee, too, For the strength of precepts taught us; We'll to them be true.

Chorus

Union College, dear old Union! Union strong and free! Loyal sons and daughters ever We will live for thee.

For the greatest of all lessons
Praise is ever thine:
Faith in God and in our brother,
Service, too, sublime.
As we go to meet life's conflict,
We shall victors be,
If we're loyal to the precepts
Taught so well by thee.
